

SAMUEL'S GORGE
MCLAREN VALE AUSTRALIA

2022
COMET TAIL
Sparkling Shiraz

Our latest vintage of Sparkling Shiraz is a true celebration wine.

This release showcases a richly structured base wine, elevated through traditional bottle fermentation and an extended 18-month maturation on yeast lees. After disgorging, a carefully blended dosage liqueur is added, imparting depth, complexity, and a final flourish to this distinctive wine.

The 2022 has lashings of bramble fruits, black cherry and a hint of pimento spice. On the palate there is dried fig, blackberry, bay leaf and roasted coffee bean. Perfectly balanced tannins add to the textural nature of this wine and the tight mousse leads to a long, velvety finish.

It is the perfect bookend wine; it is an inspired choice as either a unique welcome drink or to savour as the finale to any occasion.

Pair it with some salty Manchego croquettes to start a meal, or a decadent, dark chocolate dessert to carry on deep into the night.
