MOSAIC OF DREAMS

Grenache Mourvèdre Syrah Carignan

Our Mosaic of Dreams is a contemporary wine of structure and finesse inspired by the Mediterranean shores of southern France. This Grenache-driven blend harmoniously balances the soft spice range of Mourvèdre, the elegance of Syrah and the plush fruit of Carignan.

It presents as soft and lush, with notes of delicate fresh rose petals, perfectly ripe raspberry and juicy plum. Flinty, graphite notes are grounding, along with black tea and the warm, slightly sweet aroma of worn leather.

Supple tannins provide structure and flow without overpowering the delicate nature of this wine. It is simultaneously gentle and luxurious, with a long, lingering finish.

Like a perfectly blossoming flower hanging over a picket fence, this is a wine that you will want to bury your nose in. Pair it with a quiet, calm space and a dreamy view.
