2024 MR. MICK FIANO

Originated in the southern region of Campania in Italy, Fiano adopted Australia as its ‘international’ home and it is proving to have a great and natural adaptability to the growing conditions of the Clare Valley. After years of careful planning by Tim Adams and his team, this variety made it to our Mr Mick range for the first time in 2023 and is certainly one of the most exciting and versatile wines that we produce.

The 2024 Mr. Mick Fiano is a blockbuster showing a great concentration and intensity of passionfruit pulp, stone fruits, ripe citrus and fresh sage with a generous body and texture and precise acidity across the palate. For the white wine drinkers looking for purity and intensity and for the light-red wine drinkers looking for some texture and volume. Drinks well on its own, but best enjoyed with food.

Variety: Fiano

Vineyards:

Rogers	Tim Adams and Pam Goldsack
Schaefer East	Tim Adams and Pam Goldsack
Sheoaks	The Fechner Family

Alcohol: 12.4%

Winemaking:

The fruit was harvested in the cool of the early morning, gently pressed and the juice separated and cold settled before undergoing a steady fermentation at cold temperatures for two weeks. The resulting wine was then stabilized to industry standards, filtered and bottled in a dry style with seamless residual sugar. The generous fruit concentration and fruit sweetness is just one of its highlights.
