

TRENTHAM

Estate

NV BRUT 200ml

Through 100 years of grape growing our family have turned challenges into opportunities, values into principles – our life your wine.

The Wine

Light straw green in colour with fine bubbles and aromas are of fresh citrus with some slight toasty notes. The palate is elegant and soft showing light fresh citrus flavour.

The Winemaking

Once harvested, the fruit was crushed and pressed. The juice was cold settled and racked to ferment. The wine was then matured on yeast lees until blending and a secondary fermentation to add bubbles to the wine.

With Food

Great with canapés and seafood.
