NOTES:

2024 Malbec is the first vintage of this varietal under the Via Caves label, although the first of many to come. The Malbec in 2024 simply looked to good not to bottle as its own wine.

Spending 10 months in old oak, we have been able to maintain the freshness and elegance that first captured our palate's during our blending session in January 2025. There is a delightful dark fruit weight, ripe plums and black berry's, supported by smooth subtle tannins, with hints of dark chocolate.

The fruit from the Via Caves vineyard is 100% certified organic, and the average vine age for the Malbec would be about 20 years. 250 cases made.

Caves Road is the centrepiece of the Margaret River wine region, the integral link between the beaches, the rugged landscapes, and the world class vineyards of WA's South West. Via Caves Wines are the varietal expression of this unique place we call home.

All our fruit comes from an established vineyard, in Margaret River's renowned Wilyabrup sub region, just West of Cowaramup, and just off Caves Rd. The vineyard is certified organic and follows minimal intervention practices.
