

VIA CAVES

2025 SAUVIGNON BLANC

region: Wilyabrup, Margaret River
varietal: 100% Sauvignon Blanc
vine age: 20 Years+
alc: 12.5%

notes:

Quality fruit from a certified organic vineyard, fermented and matured on lees in stainless steel tanks. The palate combines citrus, herbal and subtle tropical fruits, driven by soft, natural acidity.

The 2025 vintage was early, and warm, however great vineyard management by the team at Wayfinder allowed us to maintain the desired freshness and lift of cool climate Margaret River Sauvignon Blanc.

Caves Road is the centrepiece of the Margaret River wine region, the integral link between the beaches, the rugged landscapes, and the world class vineyards of WA's South West. Via Caves Wines are the varietal expression of this unique place we call home.

All our fruit comes from an established vineyard, in Margaret River's renowned Wilyabrup sub region, just West of Cowaramup, and just off Caves Rd. The vineyard is certified organic and follows minimal intervention practices.
