Wine Analysis	ALC 13% pH 3.59 TA 6.91
Oak	New and used French oak puncheons and barriques for 10 months
Certification	ACO Certified Organic Vineyard

Winemaking

The grapes were harvested by hand and sorted into open-top tanks for fermentation. 20% whole clusters were included to add textural depth and aromatic complexity to the final blend. After two weeks on skins, the free-run was gravity-drained to tank, and the skins gently pressed into new and used French oak puncheons and barriques, and matured for 10 months.

Margaret River,
Western Australia
