

MULLINE

2023 MULLINE PINOT NOIR

2023 Mulline Pinot Noir

100% Pinot Noir from Geelong, Victoria.

Moorabool Valley, Surf Coast & Bellarine Peninsula

Only 10% whole bunches, but that is enough to bring a hypnotic and spicy fragrance to the wine. It's one of those Pinots you could simply smell all day - bright red berries, green stems, clay, and white pepper all come through.

The palate is juicy, bright, and refreshing. It has a high acid count, making this a dangerously drinkable bottle of wine. Give it a chill and a serve in big splashy glasses. Delicious and friendly, which is what wine should be.
