

MULLINE

2022 Mulline Single Vineyard Portarlington Chardonnay

2022 Mulline Single Vineyard Portarlington Chardonnay

100% Chardonnay from Nurringa Park Vineyard, Portarlington, Bellarine Peninsula. Clone I10V1 and I10V5 planted in 1994 on Sandy Loam, Dark Clay and Limestone

The fruit was picked and pressed directly to oak with full solids. The wine was fermented in a cold room and sulphured in place directly after primary fermentation. 20% of the wine went to new French oak and the remaining to older barriques. The wine sat in these barrels for 8 months with no movement before being transferred to tank and then to bottle on the 14th of November 2022.
