

Small Wonder

2024 RIESLING

Variety	Riesling
----------------	----------

Clone	McWilliams
--------------	------------

Vine Age	+20
-----------------	-----

Location	41.20° South, Altitude 45m – 93m 16.9km from the ocean
-----------------	---

Wine Analysis	ALC 13.0% pH 2.95 TA 7.70 RS 0.56
----------------------	-----------------------------------

Certification	ACO Certified Organic Vineyard
----------------------	--------------------------------

Winemaking

The warm and dry conditions that characterised the 2024 growing season produced intense citrus and apricot flavours in our Riesling. Our blocks harvested from late March to early April, approximately 3 weeks earlier than average, and gently whole-bunch-pressed to tank. The resulting juice was cold-settled and racked clean to stainless steel tanks and fermented at low temperatures until dry. After 5 months on lees, the final blend was racked and assembled in tank and gently filtered prior to bottling.
