

wayfinder

Margaret River, Western Australia

2022 Cabernet Franc

Clone: C24-11

Alcohol: 12.5%

TA: 6.25g/L

pH: 3.51

Harvest Date: 21 March, 2022

WINEMAKING NOTES:

The must was pumped over up to 3 times/day during peak fermentation, with a single rack and return to break up the cap and promote extraction. The free-run was gravity-drained to 30% new French oak, and matured for 10 months prior to bottling.
